

BROOKHURST INTERNATIONAL SCHOOL

Offering British National Curriculum (BNC)

Dedicated to Excellence

About us

Brookhurst International is a Cambridge registered school that purpose to transform young people to become the most influential leaders of tomorrow in all facets.

We offer British National Curriculum that is learner friendly, allows development of talents, gives international exposure and opens global opportunities for its graduates. We enroll learners from ages 10-18 years in our Preparatory, Secondary and A- level schools. Our students experience a multi- cultural environment as learners and staff are from different nationalities.

We are committed to academic excellence, development of talents and positive behavior change of the learners. Our O-Level and A-Level graduates successfully enroll in international, private and public national universities.

Brookhurst Sports Academy has state of art facilities that help learners develop their talents to compete at national and international arena. We have excellent boarding facilities and catering services that communicate a feeling of "home away from home".

We have day schooling for learners from: Karen, Rongai ,Ngong and Kiserian .

Our Key Achievements

- Achieved excellent performance during May/June and Sept/Oct 2015 Examinations with over 90% pass.
- Over 90% of our graduates join national and international universities after O level and A level
- We have several students taking aviation/piloting and some have graduated with Private Pilot Licenses (PPL) while still in school.
- We have won matches locally and internationally for example Kelee Warrior Cup in UK in 2014 and Nottingham Cup in September 2015 and in 2016, we were chosen as the official organizers of Barcelona International tournament
