*Dedicated to Excellence*

**SIXTH FORM  
COURSE BOOK**

# Message from the Director

**At Brookhurst International School, we have an unwavering belief in the potential of every student. We truly believe that everyone can and will be successful, if we strive for excellence in all that we do.**

Brookhurst International School's sixth form embodies the schools mission to promote the highest standards of education and extracurricular programs that empower our students to realize their full potential in a friendly and supportive environment. We prepare and support our students for the world after school, with our outstanding teaching, strong school ethos, caring and serene environment learning environment. Our teachers challenge our students, offer them rigor and are responsive; it is testament to the excellence in our curriculum and teaching that our students become orators who can eloquently express their reasoning and beliefs and therefore effect the change they wish to see in the world.

Brookhurst International School's Sixth Form comprises of a wonderful mix of students from a variety of cultures and backgrounds. Our students are noted for their independence in thought, high standards in performance and ability to work well in groups and teams. Our student alumni go on to excel in world class universities and course as a result of their hard work and commitment.

To support you with that, we offer excellent foundations and support:

- **Exceptional teaching**, from seasoned teaching professionals.
- **Brand new** facilities.
- **High quality** spiritual and mental support.
- **A broad and balanced** curriculum.
- **Great careers guidance** that prepares you for your next steps.
- **Links with the leading universities** in the UK.
- **Enrichment opportunities** and support.

At our heart, we are a community school and we want you to make the most of being part of the Brookhurst family. There are the most fantastic enrichment opportunities on offer, whether you enjoy creative, sporting or social activities.

We hope you enjoy learning more about the courses on offer, and that you'll take the time to come and meet with us at Brookhurst International School.

# Welcome to Sixth Form at Brookhurst International Schools

A defining stage in your academic journey and a bridge to the future you are preparing to build. These final years of school are about more than just academic achievement; they are about discovery, independence, and growth.

At Brookhurst, our Sixth Form offers a dynamic and supportive environment where students are encouraged to think critically, challenge ideas, and take ownership of their learning. Whether you choose A-Levels, the International Foundation Diploma (IFD), the International Baccalaureate Diploma Programme (IBDP), or the BTEC pathway, each option is carefully designed to equip you with the knowledge, practical skills, and confidence required for success at university and beyond.

Our diverse, global community provides a unique opportunity to learn alongside peers from different backgrounds and perspectives, reflecting the international experience of higher education. Through both academic and vocational pathways, students benefit from dedicated teachers and mentors who are committed to nurturing excellence, creativity, and personal development.

This coursebook is designed to guide you through the wide range of subjects and opportunities available, helping you make informed choices about your future. As you explore your options, we encourage you to be ambitious, curious, and open-minded.

Your journey starts here and at Brookhurst, we are committed to walking it with you every step of the way.

# Joining Brookhurst's Sixth Form

Joining Brookhurst's Sixth Form is an exciting and defining moment. Students are stepping into the final stage of their secondary education, where the choices they make begin to shape their future pathways and ambitions.

At this level, Brookhurst students enjoy a high degree of independence and freedom, balanced with the guidance and structure needed to succeed. Our Sixth Form offers a range of academic and vocational pathways - including A-Levels, the International Baccalaureate Diploma Programme (IBDP), the International Foundation Diploma (IFD), and BTEC - ensuring that each student can pursue a route that best suits their strengths, interests, and future goals.

Beyond achieving strong academic results, students are encouraged to develop the personal qualities that matter just as much in the long term. Brookhurst provides a supportive environment that nurtures both mental and spiritual wellbeing, enabling students to thrive academically while growing into well-rounded, confident, and articulate individuals.

We place a strong emphasis on building social awareness, interpersonal skills, and individual talents. Our diverse community welcomes students from within our school, across the diaspora, and from the wider East African region, creating a vibrant and globally-minded learning environment.

In the Sixth Form, teachers take on the role of mentors, guiding students as they explore their chosen specialisms in greater depth. With small class sizes across all pathways, students benefit from personalized attention, meaningful support, and a learning experience tailored to help them reach their full potential.

## **Active Learning Journeys**

In the sixth form we offer a full range of learning activities and expect students to play a far more active role in lessons, which can sometimes lead them in fascinating and unexpected directions. Our approach fuels our students' passion for their subjects.

## **Support for All**

Brookhurst prides itself on being a supportive learning community and we give our sixth formers all the support they need to fulfill their academic potential. We provide rigorous and regular assessments, feedback and advice to help our students get the grades they need to achieve their goals. Those who work hard, listen to feedback and take advice often exceed their own expectations. Brookhurst teachers are always available for one to one engagement and assistance. Academic clinics and revision sessions are great tools to aid students sharpen their academic skills.

# About the Courses

## A-Level

Brookhurst International school provides the Cambridge accredited A-Levels. Learners at this stage are preparing for university study. We offer both variations of A-Level, AS and A2. AS levels are basically half an A-Level. The student studies for 1 year (Year 12) giving a broad understanding of a subject but not in as much detail. AS levels are standalone courses, taken alongside – rather than as part of – A-levels. This means that they won't form part of an overall A-level grade. So you'll only take your AS exams at the end of your first year and you'll need to take all the exams for your A-levels at the end of the two-year course.

A-Level A2 courses have been specifically designed to be delivered in a linear fashion over the two years of sixth form. External examinations taken at the end of Year 13 assess the full two years of sixth form study and lead to the award of an A level. Most students will study 3-4 A level courses in their Year 12 and continue with all these courses to their Year 13. In Year 13 students can continue with four subjects or they may choose to study three subjects at this level depending on university or career aspirations.

### Why Study A-Level?

The teaching of A-Level students is focused more on developing research, analytical, collaborative and communication skills among learners. A person may ask "Why should my child study A-level?". Well, here are reasons why A-Level works well for your child:

### 1. Access to any University

**worldwide-** A-level are recognized and accepted globally giving students access to the university of their choice. We have graduated multiple students into numerous universities spread over 42 countries.

### 2. Ability to focus on what you

**prefer-** A-Levels allow students to choose their subjects of choice with no compulsory subjects for selection. Students focus on what they are passionate about and excel in it. Students at this level enjoy learning hence improving their chances of success. Students are able to focus on subjects that are specific to their university entry studies and future profession.

### 3. Required for Specific University

**Course-** Specific university courses require A-levels for entry into their programs. These courses include:

- Veterinary science- Biology and one or two subjects from chemistry, mathematics or physics
- Medicine- Chemistry, biology and either mathematics or physics
- Computer Science- Mathematics
- Dentistry- Chemistry, biology and either mathematics or physics
- English- English literature

# Subject Choices:

Brookhurst International School A-Level offers a range of subjects – primarily the ‘facilitating subjects’- those most commonly required or preferred for entry into particular courses at universities.

GROUP 1	GROUP 2	GROUP 3	GROUP 4
Mathematics	Physics	Biology	Chemistry
Sociology	Psychology	Law	Geography
History	Economics	Applied ICT	Music
French Literature	English Language	Drama	Business Studies
Physical Education	Religious Studies	Fine Art	Design & Technology

The subject combinations that Brookhurst is able to offer are based upon our own research and our own experience of the sort of subject combinations which students choose. Although flexibility is a priority, it is important to note that not all combinations of subjects are possible, just as some are undesirable. If subject choices do not fit in the required combination they should have a discussion with our head of sixth form and the admissions team and they will be guided accordingly.

## Entry Requirements:

Although the requirements detailed below are the normal requirements. There may be special circumstances where they are not rigidly applied. The sole criterion overall is that a student studying a particular AS/A level subject should be likely to benefit from the course and achieve a pass grade at the end of the course. Obviously, when places are limited, priority has to be given to students who have met the requirements. The minimum IGCSE requirements for entrance to Year 12 fall into two categories: general requirements and subject-specific requirements. If a student wishes to enroll with us from the local Kenyan System, an average of C+ at KCSE is required. Students with lower grades are considered but might be required to sit for an entrance exam.

## General Requirements

A minimum of 5 A\* - C grades at IGCSE, which should include Mathematics and English.

A good academic and behavioral record prior to entry.

Subject-specific requirements

A\*-B grade in the subjects students wish to take at AS/A level.

# Students' Comments

## SABRIN MOHAMED

### a) Why is A-Level important to you?

"A level allows me to channel my passion since I get to only study my favorite subjects. It also helps me get smooth entry to local and international universities."

### b) Why should someone move from O level to A-Level

"A level greatly improves one's essential skills and is a highly regarded qualification in universities."

## WIDAT CANILLO

### a) Why is A-Level important to you?

"A levels give one education freedom whereby one does not have to study compulsory subjects like History, English or Mathematics."

### b) Why should someone move from O-Level to A-Level

"Top universities globally prefer A levels over simple intermediate studies. Thus, A levels give one an edge over other students."

## ABDULWAHAB

### a) Why is A-Level important to you?

"A level gives me a chance to apply for courses that an O level certificate would not. It also gives me an in depth understanding in my subjects of interest."

### b) Why should someone move from O-Level to A-Level

"A level gives a continuity of pre-university studies in a high school set up which makes education seem simpler as compared to studying a diploma in a different institution."

It also plays a crucial role in career paths specifically for courses that A-Level is a requirement."

## HOPE MMBONE

### a) Why is A-Level important to you?

"A levels prepares one mentally and preempts what to expect in university. Its also at this level where one pursues what he/she is passionate about."

### b) Why should someone move from O level to A level

"A level not only shapes one's character but also instills discipline. One becomes well prepared for university studies. It also gives one essential skills to flourish academically and professionally."

## ELIZABETH YVETTE

### a) Why is A-Level important to you?

"A level lays a foundation for my university work."

### b) Why should someone move from O-Level to A-Level

"A levels allows students to experience university concepts in a high school environment."

Awarding  
Great British  
Qualifications

# International Foundation Diploma

Your stepping stone to University studies in the UK and around the World.

## About the International Foundation Diploma (IFD)

### *NCC Education Programmes at Brookhurst International Schools*

Brookhurst International Schools gained the honor of being the first school to offer NCC Education programmes. This was achieved after a rigorous evaluation process. The institution's track record of delivering impeccable academic services whilst delivering consistent results were key factors why the NCC Education programmes found a home at Brookhurst International Schools.

### *Who are NCC Education?*

NCC Education was originally part of the National Computing Centre established as a computing initiative by the British Government in 1966. It is a fully accredited UK awarding body and a global provider of distinct British education in Business, Computing, and university access programmes. Qualifications in Computing and Business span from foundational to Master's degree level, accommodating a wide array of academic interests.

NCC education qualifications are internationally recognized and highly valued by employers and universities across continents. NCC education is recognized and regulated by Ofqual in UK just like Cambridge or Pearson examinations bodies which people are more familiar with.

## Why Study International Foundation Diploma (IFD) At Brookhurst?

### **Assured Access**

The level 3 international foundation diploma (IFD) is recognized worldwide and offers students the added advantage through access to 100+ universities, branch campuses, business schools and professional bodies for on-campus study in over 20 countries. The IFD works to ensure your dream to study abroad comes true.

### **Quick & Excellent Pathway**

The level 3 international foundation diploma (IFD) course is studied over a short 30-week period (8 months) split into 2 semesters. The programme allows students to complete their study in a shorter period of time over other alternatives on offer. The diploma offers students excellent pathways to computer science, business, engineering, health sciences and higher finance degrees.

### **Saves Your Money**

The study of the level 3 international foundation diploma at Brookhurst International Schools offers families numerous cost savings. Families are able to study locally and gain the necessary education for university entrance abroad. Additionally, this assists families to save money and adequately plan for the travel, stay and study abroad.

### **A Head Start to University Life**

The level 3 international foundation diploma (IFD) prepares students with essential English language skills, transferable study skills and cultural knowledge to bridge the gap between high school and university.

### **Competent & Experienced Resource and Teaching Staff**

Brookhurst International Schools' team of seasoned educators aim to ensure each student achieves their full academic potential. The goal is to ensure we maintain a 100% success rate in students' entry into their first university of choice.

### **Great Learning Environment**

Brookhurst International Schools' two expansive campuses in Lavington and Kiserian offers students serene, secure and calm environments for learning. Students feel assured they have the adequate facilities and resources necessary for their studies.

## Access to 100+ Universities Globally

# BTEC

## AT BROOKHURST INTERNATIONAL SCHOOLS

### Welcome from the Head of BTEC

Welcome to Brookhurst International Schools and our amazing BTEC pathways. The BTEC (British & Technology Education Council) level 3 diploma and subsidiary diplomas are sixth form qualifications that have been beloved since their introduction to our sixth form 4 years ago.

BTEC is an applied learning, flexible qualification in which knowledge, skills and understanding are acquired through a coursework based portfolio system where evidence is gathered for each unit of study. The nature of the qualification and learning makes BTEC attractive to students, employers and universities abroad; and as a highly respected qualification, it represents a viable and clear path to higher education

Brookhurst’s BTEC pathways enable our sixth form students to study a selection of BTEC level 3 courses. BTEC courses at Brookhurst are:

- Level 3 Business Diploma
- Level 3 Creative Digital Media
- Level 3 IT Extended Diploma

If you enjoy applied learning through practical work related activities in and out of the classroom; are interested in a career or course in one of our subject areas; or are looking for a qualification that is assessed through assignments rather than examinations; then BTEC may be the best choice for you.

If you would like to learn more about BIS or BTEC kindly contact our admissions or information desks through the following contacts:

## ABOUT BTEC

BTEC stands for the Business and Technology Education Council. BTECs are specialist work-related qualifications. Brookhurst International School offers Pearson's accredited BTEC courses that are suited to those who want a more practical learning experience. BTECs are designed for students interested in a particular industry but who are not yet sure what career they'd like to do. A student could study a BTEC at Level 2 or 3, either alongside academic qualifications or as part of a wider program (such as an apprenticeship). You can also study a BTEC as a standalone course. BTEC diplomas take between 20-24 months of study.

- Practical, real world approach to learning
- Recognized qualification by schools, colleges, universities and employers
- Assessment happens throughout the course
- Progress to further education, training and employment

Three distinction\* grades at BTEC are equivalent to 3 A\*s at A Level and attract the same UCAS points. Please note, our BTEC Business course is equivalent to 2 A Levels. Students typically take another A Level alongside this course. The courses comprise of mandatory and optional units, which can be built to form different levels of the qualification. Each unit is assessed through the completion of assignments that are designed by the teacher and call on a range of evidence types. Nearly all universities accept BTECs.

### BTEC Courses At Brookhurst

- Level 3 Business Diploma
- Level 3 Creative Digital Media Diploma
- Level 3 IT Extended Diploma

### Entry Requirements

A total of 5 GCSEs, with grades A\* - G including Mathematics and English. A student should have attained a minimum grade of C in Mathematics and English. Resits are arranged for those who will have not attained these minimum grades.

### Key Facts About BTEC

1. Yearly, BTEC serves 1 MILLION learners and are recognized in more than 70 countries worldwide.
2. BTEC qualifications are accepted by multiple universities globally.
3. 95% of universities accept BTEC level 3 diploma as equivalent to A-level.
4. The BTEC qualification enables students to become occupationally ready to take up employment in business, immediately after the qualification.
5. Offers a non-examination – 100% coursework- pathway through the sixth form.
6. 4 out of the 5 BTEC qualified students who gain university entry graduate with a 1st or 2nd degree (London School of Economics Report).

# International Baccalaureate Diploma Programme (IBDP)

## What is the International Baccalaureate Diploma Programme (IBDP)?

Established in 1968, the International Baccalaureate (IB) Diploma Programme (DP) was the first programme offered by the IB and is taught to students aged 16-19. The IBDP was established to provide a challenging and comprehensive education that would enable students to understand and manage the complexities of our world and provide them with skills and attitudes for taking responsible action for the future. Such an education was rooted in the belief that people who are equipped to make a more just and peaceful world need an education that crosses disciplinary, cultural, national and geographical boundaries. The Diploma Programme (DP) is a **2-year curriculum**. Through career guidance counselors at Brookhurst, IBDP provides course selection guidance to students when choosing subjects. There are **6 subject groups** that students can choose a subject from: Language and literature, language acquisition, individuals and societies, sciences, mathematics and arts. On top of the six subjects, a student is also required to do **3 core subjects** namely: Theory of Knowledge (TOK), Creativity, activity and service (CAS) and Extended Essay (EE).

A student can take some of the subjects at Standard level (SL) and the rest at higher level (HL) though a minimum of 3 and a maximum of 4 can be done at Higher level (HL). For the attainment of the diploma, a student is expected to have a minimum of 150 and 240 learning hours for both SL and HL respectively. The core subjects need to have a minimum of 100 hours.

The benefit to students is shown by the students strong academic, social and emotional characteristics.

The IB students are:

- encouraged to think critically and solve complex problems
- drive their own learning
- a core part in educational programmes that can lead them to some of the highest-ranking universities around the world
- more culturally aware through the development of a second language
- able to engage with people in an increasingly globalized, rapidly changing world.

## Why Study IBDP at Brookhurst International Schools

- **A Focus on the Individual-** Everyone excels at something. We aid students in discovering their brilliance, support them to excel in their passions and consistently celebrate that everyone is unique and different.
- **A History of Academic Excellence-** The programme equips students with strong research, writing, and analytical skills, preparing them for entry into top universities around the world. Brookhurst's 12+ years of outstanding academic results has led to 93% of our students gaining entry to numerous universities and technical institutions locally and around the world.
- **A Serene & Nurturing Environment-** Brookhurst students refer to our campuses as 'A Home Away from Home'. The Brookhurst culture is based on the family. We consider each and every member of our school a part of the Brookhurst family.
- **Holistic Development:** Through Creativity, Activity and Service (CAS), students discover their passions, develop resilience, and make meaningful contributions to their communities.
- **Global Relevance:** With subjects spanning sciences, humanities, languages, and the arts, students gain a broad and balanced education while pursuing their individual strengths.
- **Critical Thinking & Research:** The Extended Essay (EE) and Theory of Knowledge (TOK) courses sharpen problem-solving skills, intellectual curiosity, and independence.
- **Values-driven Education:** The IB Learner Profile complements Brookhurst's ethos of nurturing principled, caring, and open-minded learners who thrive in a diverse world.
- **A Center for Sports & Talents Development-** Brookhurst prides itself as a school that aims to nurture the talents of its students. Our countless sporting achievements and displays of talents in the arts stand as testaments to our philosophy.
- **Molding Upright and Outstanding Individuals-** We believe that a student's character is a crucial part of the schooling experience. Brookhurst endeavors to ensure our students go into society as men and women of impeccable character espousing great values.
- **Career & University Guidance-** We endeavor to support all our students from their early career considerations through to their university application process during their studies at Brookhurst International Schools.

### The Brookhurst Edge

At Brookhurst, we enrich the IBDP with personalized mentorship, world-class teaching, and supportive pastoral care. Our serene learning environment and modern facilities create the perfect setting for students to excel academically while exploring leadership, innovation, and creativity.

Each of the IB's programmes is committed to the development of students according to the IB learner profile. The profile aims to develop learners who are: Inquirers, Knowledgeable, Thinkers, Communicators, Principled, Open-minded, Caring, Risk-takers, Balanced and Reflective.

### ADMISSION REQUIREMENTS FOR IBDP

1. **IGCSE AND GCSE** candidates must have attained at least strong Cs and above in all subjects they are picking in IBDP
2. For those joining from MYP, they must have attained 28 points of the total 56. With more than 3 points in all the subjects they are picking in IBDP and having passed their PP(Personal project)

# Choosing the Right Path: IBDP vs A-Levels vs International Foundation Diploma

As students approach the final stages of secondary school, one of the most important decisions they and their families face is choosing the right academic pathway. At Brookhurst International Schools, we understand that no single programme fits every learner. That is why we offer guidance in comparing the three leading pre-university qualifications: the **International Baccalaureate Diploma Programme (IBDP)**, **A-Levels**, and the **International Foundation Diploma (IFD)**.

Each pathway offers unique advantages, academic rigor, and career opportunities. Below, we explore the differences to help students and parents make an informed choice.

## 1. The International Baccalaureate Diploma Programme (IBDP)

Age Group: 16-19 (Two years)

**Recognition:** *Accepted by top universities worldwide*

### Key Features:

- **Breadth and Depth:** Students take six subjects across languages, sciences, humanities, mathematics, and the arts. Three at Higher Level (HL), three at Standard Level (SL).
- **Core Components:**
  - *Theory of Knowledge (TOK)* - critical thinking and reflection.
  - *Extended Essay (EE)* - independent 4,000-word research project.
  - *Creativity, Activity, Service (CAS)* - personal growth through service and extracurricular activities.
- **Skills Focus:** Research, critical thinking, time management, communication, and global awareness.
- **Assessment:** Mix of internal coursework and final external examinations.

### Ideal For:

Students who are **all-rounders**, enjoy intellectual challenge, and wish to keep multiple career/university pathways open.

## 2. A-Levels (Advanced Level Qualifications)

Age Group: 16-19 (Two years)

**Recognition:** *Highly valued by universities in the UK, Commonwealth, and globally*

### Key Features:

- **Specialization:** Students typically take 3-4 subjects of their choice, focusing deeply on areas of interest.
- **Flexibility:** Ideal for students with clear career aspirations (e.g., medicine, engineering, law).
- **Assessment:** Predominantly final examinations at the end of the two-year period.
- **Skills Focus:** Subject mastery, academic rigor, and exam preparation.

### Ideal For:

Students who **know their strengths and career direction** and prefer to specialize in fewer subjects at a greater depth.

## 3. International Foundation Diploma (IFD)

Age Group: 17+ (8month Program)

**Recognition:** Accepted by universities worldwide, particularly in the UK, Europe, and Australia

### Key Features:

- **Duration:** One-year fast-track programme preparing students for undergraduate entry.
- **Curriculum:** Combines subject-specific modules (e.g., Business, Science, IT) with academic skills such as research, communication, and independent learning.
- **Pathway-Oriented:** Designed for students who want a direct transition into higher education without the length of A-Levels or IBDP.
- **Assessment:** Coursework, assignments, and exams depending on subject modules.

### Ideal For:

Students seeking a quicker route to university or those needing to bridge from local secondary school qualifications to international higher education standards.

SIDE-BY-SIDE COMPARISON			
FEATURE	IBDP	A-LEVELS	IFD
Duration	2 Years	2 Years	8 Months Programme
Subjects	6 (across disciplines)	3-4 (specialized)	Subject Modules + Academic Skills
Core Components	TOK, Extended Essay,	CAS Subject Specialization	Academic skills focus
Assessment	Coursework + Exams	Mostly exams	Coursework + Exams
Recognition	Global & Kenya (140+ countries)	Global & Kenya (esp. UK & Commonwealth)	Global (UK, Europe, Australia focus)
Best For	All-rounders, critical thinkers Specialists with clear career goals Fast-track university preparation		

## Making the Right Choice at Brookhurst

- **The IBDP** is best for students who want to challenge themselves across a wide range of subjects while developing research, leadership, and global perspectives.
- **A-Levels** suit those with a clear sense of direction who wish to specialize deeply in their chosen fields.
- **The IFD** is a direct stepping stone for students ready to progress quickly to university study.

At Brookhurst International Schools, our academic counselors work closely with families to identify the programme that aligns best with each student's aspirations, strengths, and future goals.

*Whichever pathway you choose, Brookhurst ensures that every learner is prepared not just for university admission, but for success in life.*

# Life after Brookhurst

Our students develop a love of their subjects, an appetite for learning and have a wide range of extracurricular interests and experience. This stands them in good stead for completing their UCAS application for university or at interviews for their first job. The vast majority of students move onto higher education institutions. 96% of Brookhurst's sixth formers take up university places either in Kenya, in the East African region or abroad. Our students usually gain access to their first choice university.

To help them choose and successfully apply for courses, our students benefit from having their own individual tutors, as well as subject teachers and a dedicated Head of Sixth Form. They enjoy one-to-one advice and guidance throughout their decision making process: from choosing A Levels to choosing a degree course.

## University Entry

We begin our sixth form Year 12 with a career day forum where our Year 10-13s take part. A key event where students can discuss a variety of careers with a number of professionals from different areas. The Year 12-13s engage in a 'Life After Brookhurst' conference where expert speakers from universities, businesses and student organizations impart their wisdom. Students also engage in trips to universities as well as a Q&A with our sixth form alums.

At the start of Year 13, students progress their final application and we provide intensive support through tutors and the Head of Sixth Form. Interview practice sessions are organized for all necessary applicants. We also work with the Overseas Advisory Center who run a higher education course finder questionnaire, and students have access to online career development program.

### University Destinations Include:

University of Waterloo

# Our Alumni Say

“ Brookhurst installed a strong sense of resilience, adaptability, and the importance of pursuing excellence. These values have shaped my academic and personal journey, giving me confidence to embrace challenges. Being at Brookhurst International Schools also allowed me to form unique relationships and learn from diverse perspectives. ”

**Natalie Obhai, Class of 2023**  
*University of Western Australia (UWA)*  
*Bachelors of Medicine & Bachelors of Surgery*

“ My fondest memories in Brookhurst must be hanging out with friends at the sports pitch, biology lessons and class trips. Always joking around and building everlasting bonds with each other. I came from Tanzania as a nervous young girl and came out of Brookhurst as a confident, assured leader. Without a doubt, Brookhurst has taught me integrity, leadership skills and being sociable. The teachers have installed me with integrity, which I'd say is a very important virtue in being a dependable and stable member of society. ”

**Luccile Godson, Class of 2023**  
*Swinburne University of Technology - Malaysia*  
*Bachelors Degree in Environmental Science.*

“ Brookhurst instilled in me a strong sense of discipline, responsibility, and community. One of the most lasting values I took away was the importance of teamwork-whether it was in academics, sports, or even during school events like kitchen duties and helping with meal preparations. The school emphasized that leadership isn't just about being in charge, but about serving others and working together to achieve a common goal. ”

**Wanjiru Maina, Class of 2022**  
*Fulda University of Applied Sciences Bachelors Degree*  
*in Food Technology*

“ Brookhurst has taught me that you should do what you enjoy and be open to challenge yourself beyond your usual experiences. Remember, you're only young once so make it count. Live your passion and don't give up. That is the Brookhurst way. ”

**Njao Kibue, Class of 2022**  
*Daemen University New York United States of America*  
*Bachelors Degree in Marketing*  
*Profession: Footballer*

“ Leading as the school president in 2022 was a privilege, and I cherish the moments when we worked together to create memorable experiences, especially the community-based activities that made us feel like a family. My fondest memories at Brookhurst revolve around the incredible support from teachers and peers, our lively school events, and the unity we had as students. ”

**Linet Kimani, Class of 2022**  
*Strathmore University & Kenya School of Law, Bachelors of Law (LLB)*

“ Brookhurst taught me how to be persistent in what I do and never give up. Currently, here at Auburn University I make sure that I have my work done on time and work extra hard to attain a good GPA. That kind of persistence came from Brookhurst and I'll always carry that with me. ”

**Michelle Lotethiro, Class of 2021**  
*Anglia Ruskin University - Cambridge England.*  
*Bsc. Adult & Mental Nursing*

“ Brookhurst taught me the value of respect. Respect for my fellow peers and especially my elders. Respecting others enabled me to have and maintain good relations with the teachers and the whole school's staff. Brookhurst is the place for you. The teachers are always on hand for one on one engagement and teaching aids are always available. ”

**Ian Nganga, Class of 2020**  
*University of Nairobi,*  
*Bachelors of Medicine & Bachelors of Surgery*

“ Brookhurst allowed me to cultivate a spirit of hard work and dedication that continues to propel me to reach my goals. I also learnt how to work well with others and developed my leadership skills especially during my time on the netball team. The little community we were able to build during our time there is one I am forever grateful for. Those little moments like sharing meals, playing sports and just being able to laugh together are moments that I cherish. ”

**Kethy Musau, Class of 2020**  
*Monash University - Australia*  
*Bachelors Degree in Biomedical Science*

“ Brookhurst taught me how to be persistent in what I do and never give up. Currently, here at Auburn University I make sure that I have my work done on time and work extra hard to attain a good GPA. That kind of persistence came from Brookhurst and I'll always carry that with me. ”

**Ekitel Trudy, Class of 2020**  
*Auburn University - USA, Alabama*  
*Bachelors of Medicine*

“ My fondest memories from my time at Brookhurst are the sports events, trips and being the sports captain at that time. I enjoyed the sports tournaments hosted by the school, which left a lasting impression on me. The spirit of competition was installed in me at Brookhurst International schools. I learnt the importance of values such as discipline, resilience, teamwork, creativity, respect. I realized you could never leave Brookhurst the same way you had come in. You will leave changed for the better. ”

**Prince Lablah Verdier, Class of 2019**  
*EU Business School (Barcelona)*  
*Bachelors in Sports Management*

# Our Alumni Say

“ Winning the title of Little Miss Kenya 2017/18 will always be a core memory when I think of Brookhurst. It wasn't just a crown—it was a catalyst. I believe chance is where preparation meets opportunity, and had I been anywhere else, I would not have been in an environment that intentionally nurtured my emergence. What stands out to me is how the school believed in me at such a formative age—giving me opportunities to lead, to serve, and to step into stages I didn't even know I was ready for. I'll always love you Brookhurst. ”

**Kate Wangila, Class of 2019**  
*Riara University*  
*Bachelors Degree in Communications & Multimedia Journalism*  
*Profession: Creative Strategist and Multimedia Producer/Host*

“ Brookhurst's practical approach to learning formed a foundation to what I do today. I realized that the hands on skills I learnt allowed me to be highly employable in the current and future job market. ”

**Alexia Aletia, Class of 2018**  
*Edith Cowan University - Perth Australia,*  
*Bachelors of Computer Science*

“ One of the key values Brookhurst imparted on me is the value of perseverance. It crucially aided me in learning how to set and achieve, personal & academic, long term goals. I also learnt that failure is okay because you have to dust yourself off, get back up and try again. Never give up. ”

**Lincy Wambui, Class of 2018**  
*California State University - USA, California*  
*Bsc. Information Technology*

“ The most important value I learned was that hard work pays off. The school pushed me to be the best and in the process I appreciated the importance of maintaining a great work ethic. You have to put the work in all you do. I carry this attitude with me to this day. I also gained a deeper respect for authority during my time Brookhurst. The school appropriately reprimanded my negative tendencies while simultaneously pushing me towards the right path. ”

**Paul Ashioya, Class of 2017**  
*Karel De Grote University College - Belgium, Antwerp.*  
*Bachelors Degree in Computer Science*

“ The key skill I harnessed at Brookhurst is the ability to work with others. The Brookhurst way requires students to cooperate and work with each other. I started out as a shy girl but with the aid of my teachers I was able to better express myself around others. ”

**Karen Wambui, Class of 2017**  
*EU Business School - Barcelona Spain,*  
*B.A International Business Management*

“ Brookhurst nurtured in me a strong sense of discipline that shaped my character as a student as well as a person. Character and hard work are crucial values the school imbues and transmits into all of us. I will fondly remember how we used our never give up attitude and discipline in the classroom and in winning Brookhurst's first ever major football trophy. These memories are what I cherish most from my time at school. Time really does fly by so fast while you are in school. Class of 2017 for life; we are Brookhurst, we are family ”

**Wilson Ndung'u Muthiora, Class of 2017**  
*United States International University – USIU Africa*  
*Bachelors Degree in International Business Administration*  
*Profession: Banking, Operations & Settlements,*  
*BNP PARIBAS - Portugal*

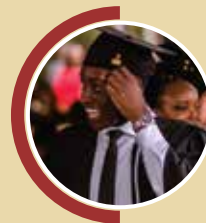

“ I discovered my talents through Brookhurst's great art teachers. They gave me the chance to experience life on an academic level as I started to develop my passion for the arts. Plus, I really loved trips. ”

**Dominik Karken, Class of 2016**  
*Ernst Barlach - Gymnasium Schonberg - Germany*  
*B.A. Art & Design*

“ Brookhurst taught me the value of resilience. I've faced moments on the pitch when things didn't go my way -missed chances, tough losses, and high expectations. But at Brookhurst, I learned that resilience means standing up every single time you fall, learning from each challenge, and pushing harder. ”

**Rodney Khwezi, Class of 2016**  
*Professional Footballer Spanish League*

“ The commitment that our instructors had in delivering content and facilitating our learning. The dedication of my teachers made it easy for me to work on getting my grades up, especially where I had challenges. They would constantly push me to go and achieve more. ”

**Payne Omari, Class of 2015**  
*United States International University - Africa,*  
*Bsc. Information Technology & Forensics.*  
*University of Nairobi, Bachelors of Law*

“ Brookhurst imparted on me what I term 'The right stuff'. These values are never ending commitment and hard work. They are the right stuff because they facilitate your pursuit of your goals in a manner that highly ensures the likelihood of success. ”

**Khalif Khalid, Class of 2015**  
*EU Business School - Munich Germany,*  
*Bsc. Business Finance & International Business*
