

BROOKHURST INTERNATIONAL SCHOOLS

Dedicated to Excellence

PREPARATORY

PROSPECTUS

WELCOME

WELCOME TO BROOKHURST PREPARATORY SCHOOL

Choosing the right school for your child is one of the most important decisions you will make.

At Brookhurst International Schools, we are proud to offer a Preparatory School experience that nurtures each child academically, socially, and emotionally.

Our goal is simple: to ensure every child feels safe, valued, and inspired to achieve their very best. We believe that when children are happy and confident, they thrive in all areas of their learning.

From the moment your child joins us, they become part of a warm and supportive community where their individuality is celebrated and their potential is developed.

Prof. Ruth Waweru
School Director.

OUR VISION & VALUES

A School Built on Strong Values

At Brookhurst, our approach to education goes beyond the classroom. We are committed to developing well-rounded individuals who are not only academically capable but also responsible, respectful, and resilient.

Brookhurst preparatory core values include:

- **Respect** – for self, others, and the environment
- **Responsibility** – taking ownership of learning and actions
- **Resilience** – building confidence to overcome challenges
- **Curiosity** – encouraging a lifelong love of learning

We work closely with parents to reinforce these values, ensuring consistency between school and home.

Our Vision

To attain the highest standards of education and extra-curricular programmes that equip our graduates with skills and abilities to transform the World for the benefit of humanity and the environment.

Our Mission

To promote the highest standards of education and extra-curricular programmes that empower our students to realize their full potential in a friendly and supportive environment.

WHAT MAKES BROOKHURST PREP SPECIAL

A Distinctive Learning Experience

Brookhurst Preparatory School offers more than a traditional education, we provide an experience designed to help your child stand out, thrive, and grow with confidence.

What sets us apart:

- **A Truly Child-Centered Approach** – Every decision we make is guided by what is best for your child's growth, happiness, and success.
- **Strong Academic Foundations with a Global Outlook** – We combine rigorous academics with an awareness of the wider world, preparing students for international opportunities.
- **Exceptional Teacher Support** – Our passionate and experienced teachers go beyond the classroom, building meaningful relationships with each child.
- **Focus on Confidence and Character** – We nurture not only academic ability but also self-belief, leadership, and integrity.
- **A Close-Knit Community** – Parents, teachers, and students work together to create a supportive and inclusive environment.

At Brookhurst, your child benefits from an education that is both personalized and forward-thinking ensuring they are not only successful today, but ready for tomorrow.

ACADEMIC EXCELLENCE

BIS Curriculum: Building Strong Foundations for the Future

At Brookhurst Preparatory School, we deliver a broad and balanced curriculum that draws on internationally recognized standards while remaining responsive to the needs of our learners. Our programme covers all key subject areas, including core disciplines such as English, Mathematics, Science, ICT, and Humanities, alongside a rich offering in the creative and physical arts.

Our curriculum is designed around the development of essential skills across all subjects, ensuring that learning is both meaningful and transferable. We adopt a dynamic, thematic approach where students are encouraged to contribute ideas and take an active role in shaping their learning experiences. This not only deepens engagement but also fosters curiosity and ownership of learning.

Mathematics is taught with a structured and focused approach to ensure strong foundational understanding, while English skills - reading, writing, speaking, and listening - are integrated across subjects to promote confident communication in a variety of contexts.

Our teaching teams carefully plan and review the curriculum each term, ensuring clear progression, full coverage of key skills, and alignment with each child's interests and developmental needs. This reflective approach allows us to continuously adapt and deliver a learning experience that is both rigorous and relevant.

A strong emphasis is placed on communication skills, particularly speaking, listening, and drama. Students are regularly given opportunities to express ideas, engage in discussion, and present their thinking with clarity and confidence, while developing respect and sensitivity towards the perspectives of others.

We place a strong emphasis on:

- Literacy and communication skills
- Numeracy and problem-solving
- Science and inquiry-based learning
- Humanities and global awareness

“Lessons are engaging and interactive, encouraging children to ask questions, explore ideas, and develop confidence in their abilities. Our teachers provide personalized support to ensure every child progresses at their own pace.”

George Mathenge, Executive Principal

OUR SUBJECTS

ENGLISH

We develop confident communicators through reading, writing, speaking, and listening. English is embedded across the curriculum, enabling students to express ideas clearly and creatively in a variety of contexts.

MATHEMATICS

Mathematics is taught in a structured and engaging way, building strong numeracy, problem-solving skills, and logical thinking. We ensure every child develops confidence and fluency in mathematical concepts.

SCIENCE

Our science programme encourages curiosity and inquiry. Through hands-on learning and exploration, students develop an understanding of the world around them and learn to think scientifically.

ICT (INFORMATION AND COMMUNICATION TECHNOLOGY)

Students build essential digital skills, learning how to use technology responsibly, creatively, and effectively in an increasingly digital world.

HUMANITIES (HISTORY & GEOGRAPHY)

Through History and Geography, students gain an understanding of the past and the world around them, developing global awareness, cultural understanding, and critical thinking.

RELIGIOUS EDUCATION (RE)

RE encourages reflection, respect, and understanding of different beliefs and values, helping students develop empathy and a strong moral foundation.

CREATIVE ARTS (ART & DESIGN, MUSIC)

Creativity is nurtured through Art and Music, allowing students to express themselves, build confidence, and explore their imagination.

DESIGN & TECHNOLOGY

Students engage in practical, hands-on learning, developing problem-solving skills and creativity through designing and making.

PHYSICAL EDUCATION (PE)

Our PE programme promotes physical fitness, teamwork, and resilience, encouraging students to lead active and healthy lifestyles.

WHY WE CHOOSE BROOKHURST

– TIWARI FAMILY

“

When we first came to Brookhurst two years ago, I was immediately struck by how welcoming the school felt. From the environment to the staff, there was a genuine warmth that made us feel at home from the very beginning.

During our tour, I saw well-equipped classrooms and outstanding facilities, but what stood out most was the atmosphere - calm, purposeful, and clearly focused on the children.

If I were to describe our experience in three words, they would be: **nurturing, inspiring, and transformative.** Brookhurst has created a true sense of belonging for our family. The teachers and staff are approachable and always make time to engage with parents, which has made a huge difference in how connected we feel to the school. There is a strong sense of partnership, with parents, teachers, and students working together to support each child's journey.

Over the past two years, I have seen my children grow in so many ways. They have taken part in a wide range of activities - from academics to sports - building both confidence and resilience.

The co-curricular opportunities are exceptional, allowing every child to explore their interests and discover their strengths.

One of my proudest moments as a parent is seeing my children recognized for their achievements. Their smiles when they receive awards say everything. Most importantly, I have seen clear growth not only in their academics, but also in their character - their kindness, confidence, and resilience.

For us, Brookhurst has truly been a transformative experience.”

”

CO-CURRICULAR OPPORTUNITIES

Discovering Talents Beyond the Classroom
Education at Brookhurst extends far beyond academics. We offer a wide range of co-curricular activities designed to help your child explore their interests and develop new skills.

These include:

- Sports and physical development
- Performing arts and music
- Creative arts and design
- Clubs and enrichment programmes

Participation in these activities helps build teamwork, leadership, and self-confidence.

SAFE & SUPPORTIVE ENVIRONMENT

Where Your Child Feels at Home
Your child's wellbeing is at the heart of everything we do. We provide a safe, caring, and inclusive environment where children feel secure and supported.

Our counselling & pastoral care ensures that every child is:

- Listened to and understood
- Encouraged to express themselves
- Supported in both academic and personal challenges

We believe that strong relationships between students, teachers, and parents are key to a successful school experience.

PREPARING FOR THE FUTURE

Confident Learners, Ready for the Next Stage
By the time students complete their Preparatory years at Brookhurst, they leave as confident, independent learners ready for the next stage of their education.

They develop:

- Strong academic skills
- Confidence and independence
- A sense of responsibility and leadership
- A love for learning that lasts a lifetime

At Brookhurst, we are not only preparing your child for the next school stage—we are preparing them for life.

We look forward to welcoming your family into our community.

LEARNING SUPPORT DEPARTMENT

The Learning Support Department is a branch under the Academic Department that facilitates **Inclusion** at Brookhurst International Schools. The true essence of inclusion is based on the belief that students with learning differences should be included in a regular setting alongside their peers. It is a commitment to educate all children to the maximum extent appropriate in the regular classroom setting.

At Brookhurst, inclusion is aimed at securing the best possible progress for all students whatever their needs or abilities. This is mainly done through **differentiation** – the process of **'modifying'** learning experiences so that they 'match' the needs and nature of the learners.

Further, the school recognizes the need to engage the **Gifted and Talented** Learners to attain the highest level of academic prowess and achievement. This is done through extended engagement beyond classroom work and working towards evolving their research skills and methods. Inclusivity at Brookhurst International School is implemented right from the homeroom level, through the Learning Support department and enhanced throughout all other engagements within school.

In the classroom, we offer the **'in class support'** where learning support teachers alongside the subject teachers/ learning support assistants monitor the learning behavior of a student and offer the required intervention. Additionally, there are the pull out and small groups support. This is where the student/s is/are pulled out of the regular class and offered support in the identified areas of need.

Beyond instructional support, inclusion is extended to the exams through offering **'Access Arrangement'**. This is to ensure that the student is not disadvantaged but well supported to achieve the objective of the examiner. This is done through modifications to exam papers – size of font, colored paper, extensions of deadlines, assistance with practical work, additional time, rest periods, information and communication technology, amanuenses/scribe and transcription readers.

At Brookhurst, we continue to believe in the spirit of inclusivity in offering education for all students.

BROOKHURST ACCELERATED TEACHING & LEARNING PROGRAMME (ATLP)

Bridging Systems, Building Confidence

At Brookhurst International Schools, we understand that transitioning between educational systems can be both exciting and challenging — especially for students moving from the Kenyan Competency-Based Curriculum (CBC) into the British National Curriculum (BNC).

That's why we designed the Brookhurst Accelerated Teaching & Learning Programme (ATLP) — a focused, one-month academic integration experience that ensures students make a smooth and confident transition.

Who the Programme Serves

The ATLP is tailored for students:

- Moving from Grade 6 to Year 7, and
- Transitioning from Grade 9 to Year 10

It also supports students joining Brookhurst from other international schools, helping them adjust seamlessly to our academic culture and expectations.

What the Programme Covers

Our accelerated model targets the foundational topics covered in the first term of each new year group. Through structured lessons, diagnostic assessments, and close teacher support, students:

- Strengthen their academic foundation in core subjects such as English, Mathematics, and Science.
- Develop familiarity with BNC learning approaches, assessment styles, and classroom expectations.
- Build confidence and study skills for long-term academic success.

Our Focus

The programme is designed to:

- Address the pedagogical gap between CBC and BNC.
- Equip students with essential knowledge and skills to start at par with their peers.
- Alleviate parents' concerns about curriculum transition and continuity.

Why Brookhurst's Approach Works

- Delivered by specialist teachers experienced in both CBC and BNC frameworks.
- Combines interactive learning, small group instruction, and continuous assessment.
- Backed by our proven track record — with over 35% of Brookhurst students having successfully transitioned from the Kenyan national system.

The Result

By the end of the first month, students are fully synchronized with their classes, confident in their learning journey, and ready to thrive in Brookhurst's dynamic international environment. Brookhurst International Schools — Nurturing excellence, inspiring futures, and ensuring every learner starts strong.
